

As a preface, this story is not directly related to Lan Chi, despite featuring the adult counterparts of its main characters. This special side story was written to promote "Wang Yu." It's a little sad, so please prepare yourselves.

## Illusion Forest

# Illusion Forest

Look, it's  
the prince  
of Illusion  
Forest

The crown and  
the robe (shown  
are special and  
designed specially  
for princesses)

They say that in  
order to see the most  
important person,

He signed a contract  
with God to be impor-  
tant in this forest.

He'll be able  
to see her after  
500 years.

It's hard to believe.

*And her as well...*

*Called her own brother...*

*This is the  
100th year.*

*If you wanted  
to see her in bed,  
why did you end  
up killing her?*

But how could  
I not understand  
the petty feelings  
of a human?

That's right,  
He can't

He wanted  
100 years...

I don't like  
you...!!

*I was finally  
not in pain.*
